

Welcome in Europe

- Objectif: mieux connaître l'espace géographique et civilisationnel européen
- Opérer la distinction entre pays d'Europe et pays de l'Union Européenne
- Tâche intermédiaire: restitution de l'observation à partir d'amorces
- Tâche finale: déterminer et expliquer les différences entre espace géographique européen et l'union européenne. (EO)

Tâche intermédiaire: make full English sentences to explain what you have mainly noticed

The EU is not composed of.....

- There are
- In some countries.....

.....
- The adjectives of nationalities and languages are always written

.....

Tâche intermédiaire: make full English sentences
to explain what you have mainly noticed
(answers)

- The EU is not composed of all European countries.
- There are just 28 of them at the moment
- In some countries several languages are spoken and the inhabitants can come from different ethnicities
- The adjectives of nationalities and languages are always written with capital letters

Act n° 4 list the different English speaking countries and locate them on the map by colouring them with a red colour

Act n° 4 list the different English speaking countries and locate them on the map by colouring them with a red colour

- Malta
- Cyprus
- Republic of Ireland
- United Kingdom: composed of England, Scotland, Wales, Northern Ireland
- Some other territories such as: Gibraltar, Man, Jersey, Guernsey

Let's take a look on a map

Intermediate Task: try to write a global definition of the European Union according to what you have just learnt and present it to the group(EO)

Final Task: I choose an EU country and I present this country to the class with the help of a presentation

- Softwares: impress or powerpoint
- Five slides are needed
- You're free to choose the pictures of your presentation
